

Seeing RED

AROUND THE SYSTEM

Tuesday, January 19, 2010

We will demonstrate our solidarity and strength,
with a System Wide Turnaround.

For ONE DAY, Tuesday, January 19, all Flight Attendants will turn the disk behind their APFA pin to the Red 'Got Guts' side – sending a message that we want a contract now! All Flight Attendants working that day are expected to participate.

Our Message: It's OUR TURN NOW!

SPREAD THE WORD

**Turn your disks to RED for the day on Tuesday, January 19, and
back to YELLOW on Wednesday, January 20.**

We'll be at the airports with extra disks – see you on the 19th!

This is not to be construed as any type of job action - only a display of our unity
to management. All Flight Attendants will work as scheduled.
