AA Flight Attendants Support TWU Request for Release from Federal Mediation

Eules, Texas — *Laura Glading, President of the Association of Professional Flight Attendants (APFA), issued the following statement regarding the Transport Workers' Union request for release from federal mediation to the National Mediation Board.*

“On behalf of the nearly 18,000 Flight Attendants at American, we support the Transport Workers Union’s request to the National Mediation Board (NMB) to be released from federal mediation. We share their frustration and anger with American management for its refusal to bargain in good faith, and we will ask for release from mediation at a meeting with the NMB next Tuesday.”

APFA is the nation's largest independent Flight Attendant union representing nearly 18,000 American Airlines Flight Attendants. www.apfa.org
