Dear Representative Larsen:

Your comments in your opening statement at this morning's hearing regarding efforts to extend occupational safety and health protections to flight attendants were greatly appreciated. As you know, Flight Attendants have been working on this issue for much too long, and we look forward to working with you on this and other issues important to our profession in the future.

I also look forward to briefing you on the proposed merger of American Airlines and US Airways at your convenience.

Again, on behalf of the over 16,000 Flight Attendants of American Airlines thank you.

Sincerely,

Laura Glading
President, APFA
