There is a large learning curve to doing the job of Base Representative/Vice President. Not only is contract knowledge a necessity, so is dealing with management effectively to fairly represent Flight Attendants. I have learned extensively how to do this. Experience most definitely counts. Representation is what your dues dollars are paying for. At the end of the day, protecting your job is what matters. I believe I am best at doing that. I wish to continue to use my experience and dedication to helping my co-worker's work lives be the best it can be.

**PERSONAL STATEMENT:**

My name is Matthew Judice and I am running Independently for Vice President in Boston. For those who do not know me, I recently transferred back to Boston after being based in DFW for 6 years. I am running for Vice President because I want to be a part of improving the lives and livelihood of flight attendants in Boston on a day to day basis. I feel I can work with anybody and be an asset to the base and I hope you will consider voting for me. I have experience with APFA as I was the DFW Fact Rep Co captain and served as BCR in DFW until I transferred back to BOS in September. I also attended the TA training and helped manage the TA Call Center at APFA HDQ to answer any questions the membership had on the current contract we work under so that they could make an informed decision on how they voted. I look forward to meeting those I do not know in Boston and hopefully serving the BOS base to the very best of my ability in the future. Thank you!
