PREVIOUS BUSINESS / JOB EXPERIENCE:

- American Airlines Flight Attendant 1/87-current
- Muse Air Corporation Flight Attendant 6/85-12/86

PERSONAL STATEMENT:

Nine months into the Ross Administration and nothing but stagnation as Delta, Southwest and United flight attendants get noteworthy pay raises and work-rule enhancements. One can only ask: What will it take to motivate this union?

Make no mistake, the assertions made by Parker and Glading that things would get better in a post-bankruptcy environment was a blatant lie. Clearly, things have gotten worse— a lot worse.

Sadly, it's our most junior flight attendants who bear the brunt of this corporate abuse because the work rules they work under were forced upon them against their NO vote. Why the Ross Administration continues to protect Laura Glading's contract with the company — the contract she negotiated in secret with her own cousin — is truly mindboggling?

Now APFA wants members to sit idle while execs reap the benefits caused by intentional PBS Failures, Integration Setbacks, Pay Discrepancies, Hotel Downgrades and Reserve Abuse.

I mean, who's being represented here, executives or flight attendants???

DFW flight attendants deserve to be represented. Having served Reserve 15 years myself, I know what it's like to be at the company's beck-and-call; I know what it's like to work days on end with little rest and no time to eat, only to face reassignment at Base because Scheduling views us as movable pawns rather than human beings.

If members want to change the system then they need to change the APFA Board Members (Base Presidents). As a candidate for DFW Base President, I promise you that you'll see resolutions presented that address real issues — issues that affect YOU!

YOU Deserve Better Hotels!

YOU Deserve Better Working Conditions!

YOU Deserve Better Layovers!

YOU Deserve Better Reserve Rules!

YOU Deserve to be Represented!

PERSONAL STATEMENT:

As a former Base Chairperson for DCA-I, I bring Change and Experience to DFW. I have been disappointed by both actions and in-actions at the local base level, the inability of some of our local base representatives to view IDF/DFW as one entity, and what I view to be inappropriate use of our hard-earned dues. I can no longer sit back and hope the issues get fixed by someone else. We need change.

I transferred to DFW 6 years ago, when DCA-I closed, and have viewed national union issues and base representation from the eyes of a line Flight Attendant. I feel I can bring great change to DFW. We need base representatives that will communicate, keep confidentiality of the Flight Attendants they represent, file and address disputes in a timely manner, involve the Flight Attendant in the Dispute Resolution Conference when addressing with the company, keep files with all supporting documentation, and completely and promptly follow thru on all issues.

If elected as DFW Base President, I would also have a seat on the APFA Board of Directors where I would speak to issues based on feedback from my base. My opponent says she will vote to support the position of the current National Officers. This is unacceptable! A Base President speaks for their base. I will poll my base, get a pulse of the majority view on issues, and vote for YOU! I will vote the issue.....not the politics!

I am asking that you consider me for your next DFW Base President and Chris O'Kelley for your next DFW Base Vice President. Together we bring much needed Change and Experience.

PREVIOUS BUSINESS / JOB EXPERIENCE:

- K-mart 1982
- Delta Airlines- (TFT) Temporary Full Time 1983-1987

PERSONAL STATEMENT:

Two years ago, when the International and Domestic divisions merged, I willingly moved from the position of DFW Domestic Base President to the position of DFW Base Vice President. This was a positive change. The move was to focus on representing my members on daily issues versus spending the majority of my time dealing with APFA Board issues, as representation of our members is the very foundation of union work.

Many changes are also in our future, and I feel we need to strengthen DFW with better communication, which includes: creating a monthly base conference call with our members, return "Day in Ops" visits to our base to have the face-to-face interaction, and frequent e-mail blast to quickly communicate important information to our DFW Flight Attendants. Lena and I will be inclusive and engage our members, especially our newer members, as they are the future of the APFA.

When I served as the DFW Domestic Base President, I always maintained a strong expectation of more oversight, responsibility, and accountability regarding the base budget, trip removals, scheduling hearings, and representation. I have worked with both of our opponents and I do not feel either candidate possesses the work ethic required to manage DFW, and follow through on issues, in a professional and fiduciary responsible manner. Additionally, union cases should never be used as in-flight entertainment or Facebook chatter.

As the previous DFW Base President, I know the Base President must be in charge, must make tough decisions, must be completely devoted to the position, and have a good support team. I have worked with Lena (Gale) Roth when she was DCA-I Chairperson, and see these qualities in her. As Base President and Vice President, Lena and I can bring the necessary Change and Experience to make DFW strong and unified.
