AA Flight Attendants Rally to Endorse Houston Mayor Bill White for Governor, May 28

APFA Calls Mayor a True Leader, Friend of Working Families

Hurst, Texas — Looking for political candidates who will stand up for working families, create jobs and fight to protect the middle class, American Airlines Flight Attendants will endorse Houston Mayor Bill White for Governor of Texas at a rally in Hurst, Texas, Friday, May 28.

Mayor White has been an ally of working women and men throughout his career, steering Houston to the best job creation in the nation. The city has added more jobs than 37 states combined. Mayor White has been steadfast in supporting workers and the middle class.

Now Flight Attendants find themselves fighting to regain pay and benefits that will restore them to the middle class. They have been mired in more than two years of contract talks to get American to recognize and reward Flight Attendants for the sacrifices made to bail out the airline in 2003. Last week after an intensive bargaining session, Flight Attendants believe negotiations are at an impasse. Under the company's proposal, most Flight Attendants in 2015 would still be behind where they were in 2003.

WHAT: A Political Rally in Support of Gubernatorial Candidate Bill White

WHEN: 2:00 pm, Friday, May 28th

WHERE: UAW 218 Union Hall,
98 West Hurst Boulevard
Hurst, Texas 76053
