

Travel Portal – OA Jumpseat/Cabin Seat Listing

spirit[™]
LESS MONEY. MORE GO.

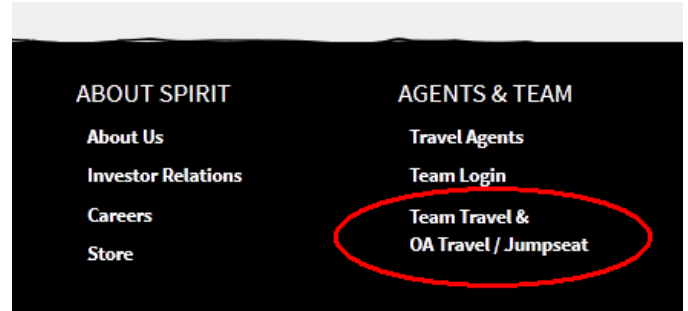

Highlights & Reminders:

- Online self-service jumpseat/space available listing tool available 24/7 365 days a year.
- This Listing Portal is for Jumpseat & Cabin Seat Agreements only, please check with your Travel Department for Leisure Travel Agreement listing requirements
- View active standby list within the Travel Portal while at the airport to view live flight details.
- Jumpseat listings can be made from 72hrs before departure up to;
 - Domestic -30min before departure
 - International – 1hr before departure
- Non rev travelers are automatically issued one carry-on and one checked baggage, which must meet size and weight requirements. Additional bags may be purchased online via Manage Travel.
- Check-in is available online 24hr before scheduled time of departure or at the self service kiosk at the airport.
- Riders must check-in no later than 30min before departure time.
- Present yourself at the departure gate to allow time for the gate agents to assist you with your travel and to verify valid “CREW” air carrier ID.
- Standby priority for other airlines is based on check-in time.
- Seat assignment and/or jumpseat assignments will be issued generally 20 min before departure time.
- Please remember once onboard to introduce yourself to the crew.

Flight availability calendar

The calendar allows a quick at a glance look at flight availability for a 7 day window. To proceed to the following week or week before when searching future dates, select the double arrows on either side of the month although listing will not be available beyond 72hrs out.

Selecting a date from the calendar will display all flights available for that date and routing below. In addition, colors guides on the calendar indicate seat availability for all flights on that date.

- Green – 15 or more open seats
- Yellow – 6-14 seats open
- Red – less than 5 seats open

Flights

FORT LAUDERDALE - DETROIT MONDAY, MAY 19

Depart	Arrive	Flight #	Routing	Avail. Seats	Jumpseats	Standby

Flight number. Selecting this hyperlink displays full flight details aircraft type, and routing information

Good, Fair or Poor based on number of seats remaining

Number of cabin jumpseats reserved / cabin jumpseats + cockpit jumpseats reserved / cockpit jumpseats

View active standby list for each flight

Flights display for the routes selected in order by schedule time of departure.

- Flight details - selecting the **flight number** displays full flight routing details along with aircraft type.

- Standby List - selecting **View List**

The screenshot shows a 'STANDBY LIST' interface with three tabs: STANDBY LIST (selected), CABIN, and COCKPIT. At the top, it displays 'Total on Standby List 5' and 'Standbys Remaining 0'. A table lists five standby entries with columns for #, Priority, Date of Hire, Airline, Customer, and Status. A 'Refresh' button is located at the top right. Callouts provide the following information:

- Total number of standbys listed including revenue standbys:** Points to the 'Total on Standby List 5'.
- Number of standbys, checked-in, without seats on standby list:** Points to the 'Standbys Remaining 0'.
- View filtered list of those listed with Cabin Jumpseat ability:** Points to the 'CABIN' tab.
- View filtered list of those listed with Cockpit Jumpseat ability:** Points to the 'COCKPIT' tab.
- Refresh Option to view updated standby:** Points to the 'Refresh' button.
- Actual standby status- Listed, Checked in or Seat assignment once assigned:** Points to the 'LISTED' status in the table.

#	Priority	Date of Hire	Airline	Customer	Status
1	S1	12APR99	NK	BAB/J	LISTED
2	S1	12APR99	NK	BAB/J	LISTED
3	S1	12APR99	NK	BAB/J	LISTED
4	S1	12APR99	NK	SAL/R	LISTED
5	S8	15FEB53	OA	JON/M	LISTED
