T. GENERAL

1. When an award or assignment is given to a Reserve, Crew Schedule will identify the published sequence number. If it is an unpublished sequence, the Reserve will be notified of the entire sequence, including routing, duty time, credit, sequence number(s), aircraft type(s), report time, and release time. If the layover hotel is different from the normally scheduled hotel, the Reserve will also be notified of the contact number and any special transportation arrangements.
2. All times in this Section are HBT unless otherwise specified.
