
TTS MAX & CREDIT WINDOW

May 2018

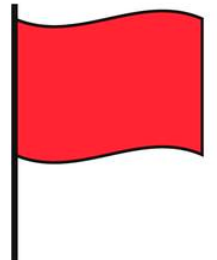

What is TTS/UBL Max?

The TTS/UBL Max is the maximum amount of hours you can increase your schedule to, by using TTS or UBL

After monthly bid awards are final, everyone will have a TTS MAX of 100 or 115 (high option)

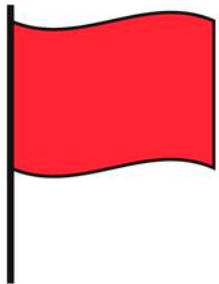

ETB transactions will increase or decrease your TTS Max

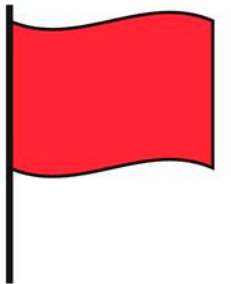

Red Flag transactions will not increase your TTS Max however you can exceed the TTS Max.

How Does ETB Affect Your TTS Max

ETB transactions - increase or decrease the TTS Max

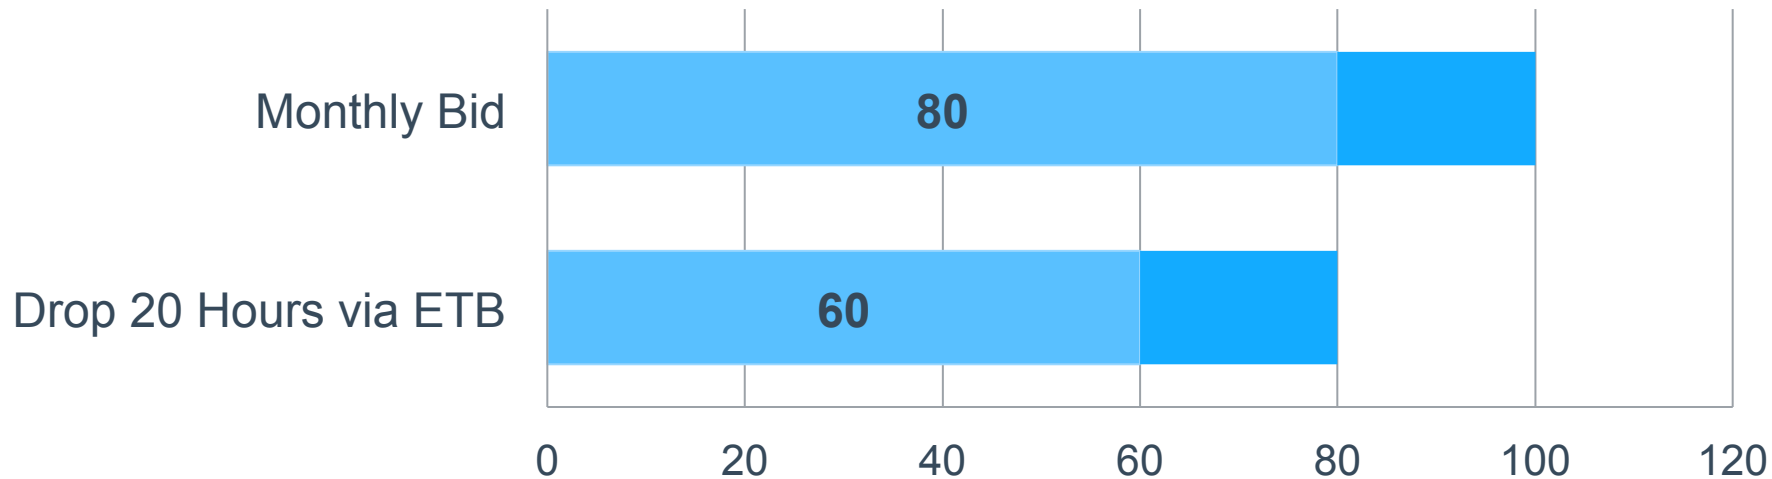

Red Flag transactions will not increase the TTS Max but you can exceed the TTS Max

ETB Drop and How it Affects the TTS Max

Heidi's Bid award is 80 hours, and **TTS Max is 100**

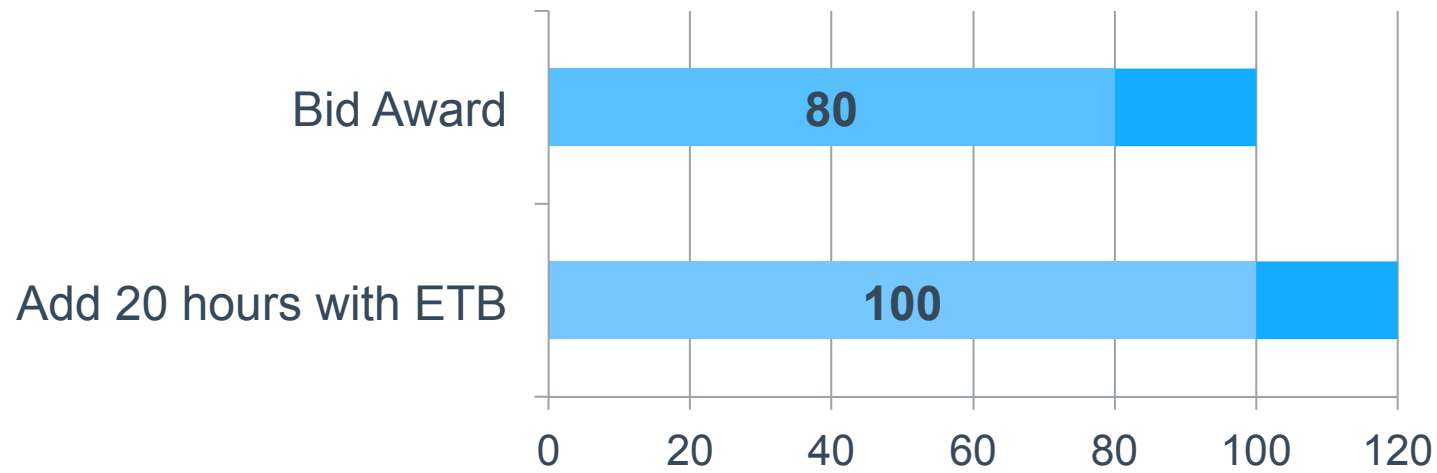

Heidi drops 20 hours in **ETB**, that reduces her TTS Max by 20, her new **TTS Max is 80 hours**

ETB Pick Up and How it Affects the TTS Max

Leslie's Bid award is 80 hours, the **TTS Max is 100**

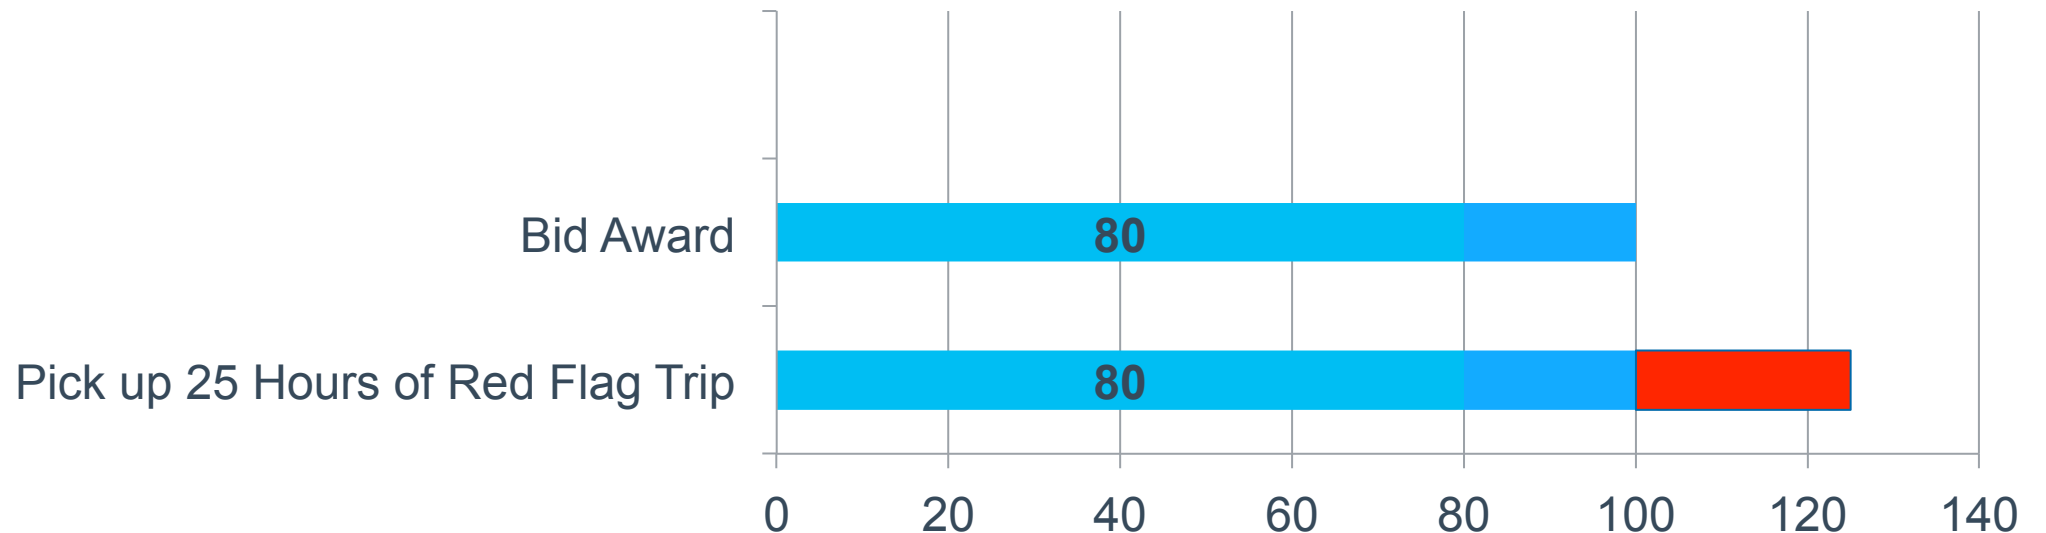

Leslie picks up 20 hours in **ETB**, and increases the TTS Max by 20, the new **TTS Max is 120**

Red Flag and How It Affects TTS Max

Tina's Bid award is 80 hours, the **TTS Max is 100 hours**

Tina picked up a 25 hours **Red Flag**, the **TTS Max will remain at 100 hours**

What is the Credit Window?

The Credit Window is the additional amount of hours you can increase your schedule through TTS/UBL

The Credit Window is established by the difference between your monthly bid award and the applicable TTS/UBL Max

TTS Drops, Pick Ups and Trades will increase or decrease
Credit Window

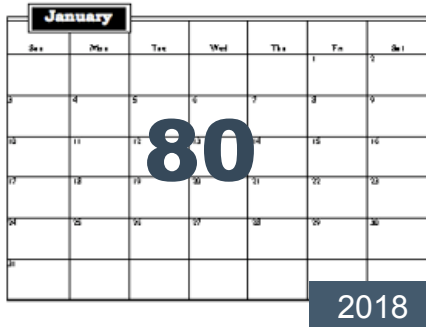

Picking up or losing flying time on a sequence will decrease or increase your Credit Window

How to Determine Your Credit Window

$$\text{TTS Max} - \text{Monthly Bid Award} = \text{Credit Window}$$

How TTS/UBL Transactions Affect your Credit Window

TTS/UBL transactions - increase or decrease your Credit Window

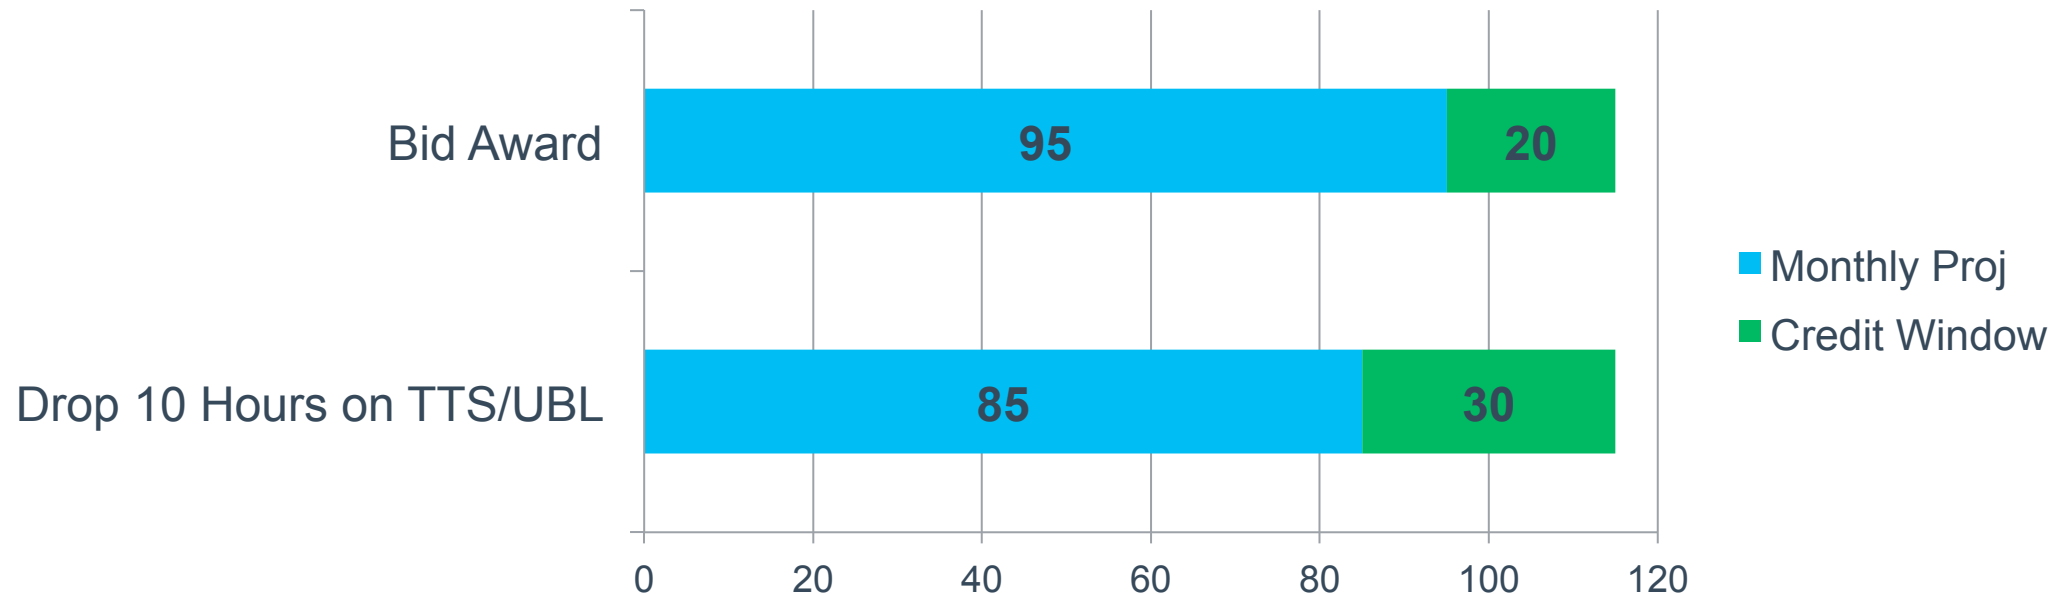

Your Credit Window can also increase or decrease when you gain or lose time on a trip

How TTS/UBL Drop Affects the Credit Window

Tiffany's bid award is 95 hours, TTS/UBL Max is 115 hours, the **Credit Window is 20 hours**

Tiffany drops 10 hours on **TTS** increasing her **Credit Window to 30 hours**

The TTS Max remains the same 115 hours

How TTS/UBL Pick Up Affects the Credit Window

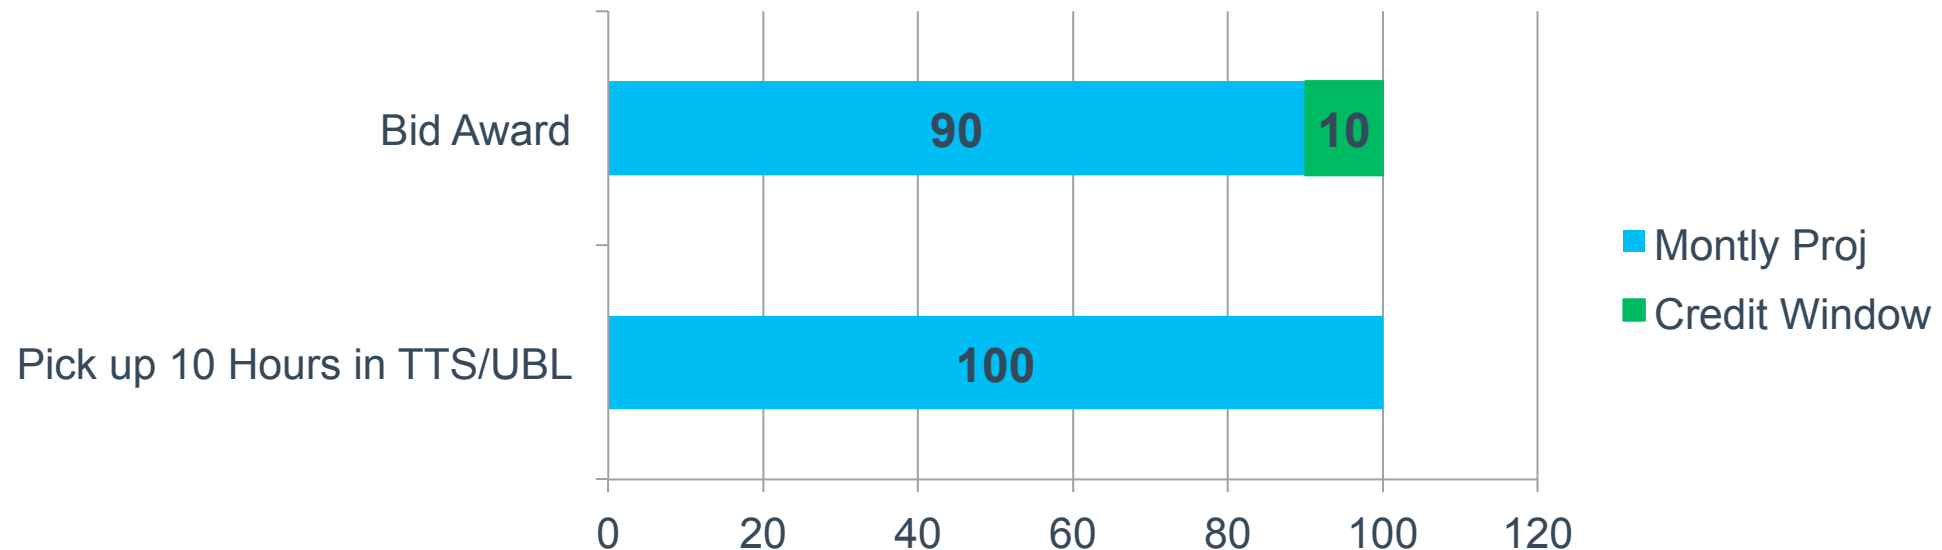

Blake's Bid award is 90 hours, the TTS Max is 100 hours, the **Credit Window is 10 hours**

Blake picks up 10 hours on **UBL**, decreasing his **Credit Window to 0 hours**

The TTS Max remains the same 100 hours

Blake could still use TTS to drop or trade.

After he is successful in dropping time, he can then pick up again in TTS

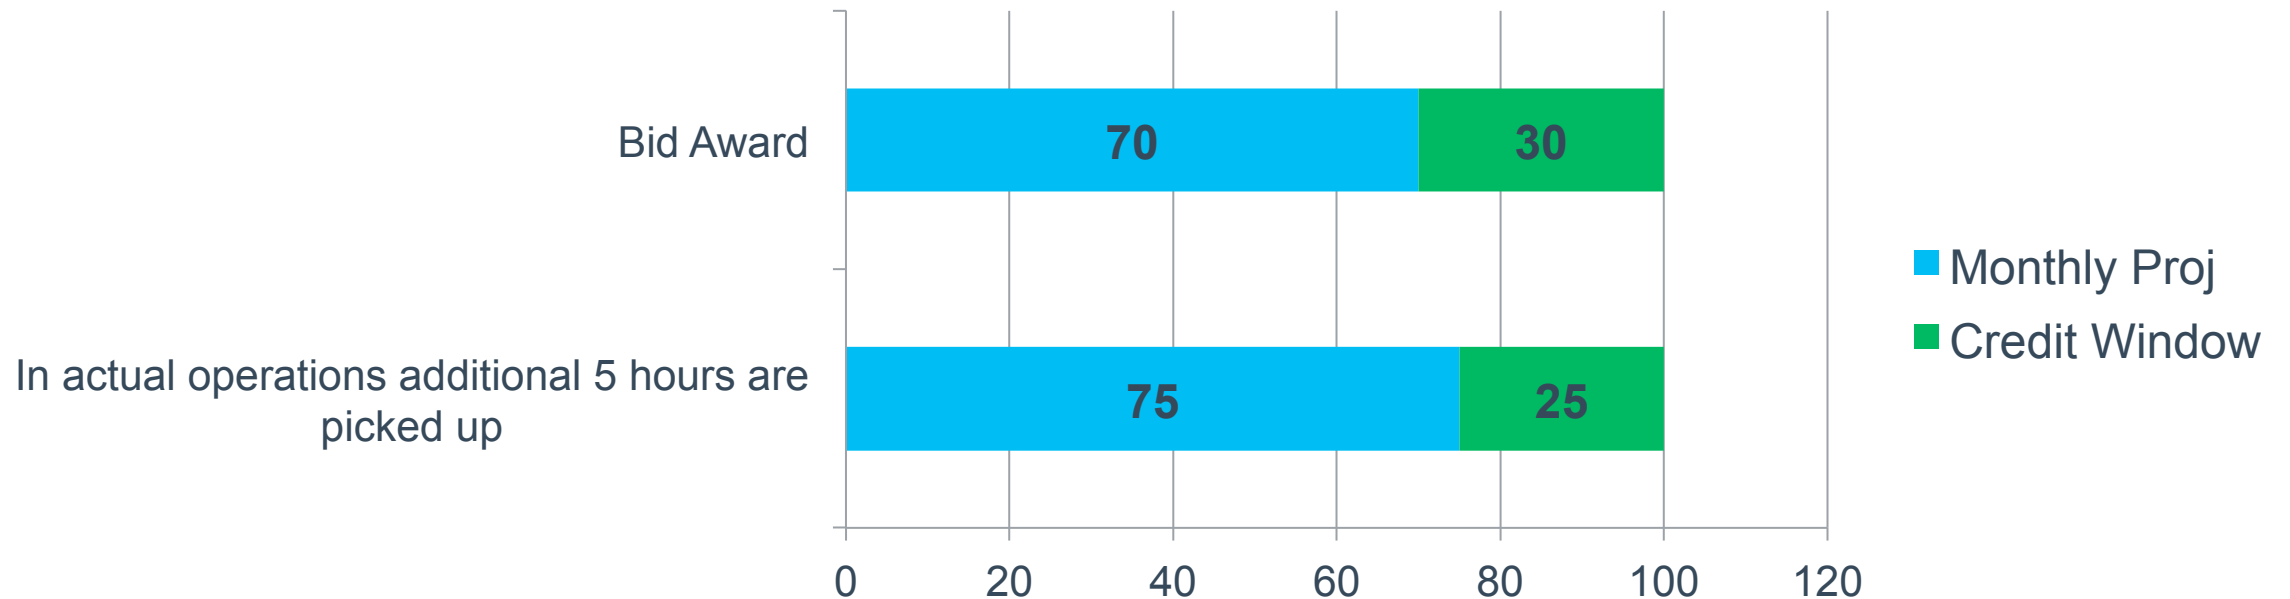

How Does Picking Up Time On A Trip Affect The Credit Window

Joe's Bid award is 70 hours, the TTS Max is 100 hours, the **Credit Window is 30 hours**

Joe's picks up 5 hours of flying due to weather

Joe's Monthly Projection is now 75 hours, the **Credit window is 25 hours**

The TTS Max remains the same, 100 hours
