

Temporary change allowing crew members to bring food and drink through security at LHR

May 13, 2020

Flight attendants departing LHR

Due to the impact of COVID-19 on restaurant availability at London Heathrow Airport (LHR), crew members are temporarily being permitted to carry food and liquid through security.

- Food and drink must be for personal use and for consumption during your flight
- No drinks will be permitted in containers exceeding 2 liters in quantity
- No items can be presented in a frozen state

Additionally, you may bring hand sanitizer solution in containers not exceeding 300ml.

All items must be removed from your bag prior to security screening.
