PERSONAL STATEMENT:

Over the years, I have had the privilege of helping my fellow flight attendants with the job's challenges. As AFA 66 Maestro Liaison and Automation Committee Chair, most of those issues were technical. As America West Merged with US Airways, I supported our base with the new vacation bidding and PBS Instruction. As our scheduling systems changed, the JIRC and the Company created the Flight Attendant Bidding Resource Center. As a member and Lead of the FABRC, I helped develop workflows that provided education and advocacy for the flight attendants for the newly combined workforce of American Airlines.

I am now asking for your vote to be your base Vice President. As flight attendants, we have the responsibility of knowing our contract, but not every situation is black and white. I feel my experience working behind the scenes since 2010 either through AFA or in the FABRC with the complex scheduling systems will enable me as Vice President to support the next Phoenix base President and our Flight Attendants. Phoenix has faced many changes as our airline has grown, but one thing has not, we are still the great employees we have always been. I would love to be your advocate so that you can continue to do your jobs to the best of your abilities.

PERSONAL STATEMENT:

I am ready to roll up my sleeves and make certain that the best interests of the PHX flight attendants are heard and carried out. I have in depth knowledge of PBS, policies and procedures, FA attendance policy and how the company interprets the contract. I was told when I was a manager that I sounded like a flight attendant and I took that as a compliment. If elected, I want to make the PHX APFA union an inclusive place where everyone can participate. I will listen. I will be available to the base in person, via email or by phone. I will have posted office hours. I will make sure that someone is available to support FA's during holidays and irregular ops. I will create a newsletter to make sure that the PHX FA's are informed. I appreciate your vote and your support. I look forward to the opportunity to serve YOU!
