G. GENERAL

1. Charters requiring a Speaker will be bid and awarded in accordance with the provisions of Charter, Section 18.
2. The Company system developed to identify those Flight Attendants who have successfully qualified for the Speaker program for reference in bid awards and sequence assignments will not be used, construed, or interpreted to establish separate seniority lists or permanent position assignments. A Flight Attendant who has successfully qualified in more than one (1) Speaker category will have each Speaker identifier likewise placed by their name.

H. LANGUAGE PROFICIENCY

1. A Flight Attendant must receive a minimum language skills' rating as established by the Company to retain their foreign language qualification. The Company may schedule a language assessment test for any Flight Attendant qualified in a foreign language to determine their level of proficiency in their designated language. The assessment will be designed by an independent outside vendor. A Flight Attendant who does not achieve and maintain the minimum language skills rating will lose their qualification. A Flight Attendant who passes the test will not be retested for at least two (2) years.
2. If a Flight Attendant fails the Company-approved proficiency test, but achieves a rating one (1) level below the minimum passing score, they shall be given one (1) opportunity of re-testing within a sixty (60) day time frame from the original test date at Company expense. K. NEW LANGUAGE

In addition to the language requirement specified in Paragraph B, the Company has the right to specify a language of destination. On routes requiring a foreign language, the language shall be determined as the official national language of the country. Whenever the Company requires Speakers on International flights, Flight Attendants will, on a voluntary basis, be given the opportunity to take a qualifying examination, administered at Company expense, by an outside language expert(s) as determined by the Company.

L. LANGUAGE RESIGNATION PROFFERS

1. Annual Language Resignation Proffer

The Company will proffer system-wide notice of language resignations on September 1st of each year. The deadline to proffer a language resignation will be September 30th, with resignations effective with the November contractual month. The Company will establish the number of language qualified Flight Attendants who will be permitted to resign a language qualification according to operational needs, however, the number will be between two and one-half percent (2.5%) and five percent (5%) of the qualified Flight Attendants in each language at each base. Additionally, a Flight Attendant desiring to resign a language must have seven (7) or more years of occupational seniority and may not be serving a language lock-in. Language resignation proffer awards will be made in seniority order, by base, from among those proffering Flight Attendants with seven (7) or more years occupational seniority and who are not serving a language lock-in. The Company may restrict Flight Attendants from dropping their foreign language qualification(s) by specific language qualification if any of the following apply:

- b. The Company can demonstrate on-going unfilled vacancies in such language.

2. Standing Language Resignation Proffer

A standing language resignation list will be established by the Company and will be updated by those Flight Attendants desiring to resign a specific language qualification. The placement by a Flight Attendant of their name on a standing resignation list in no way alters the minimum requirements (e.g., minimum seniority, lock-in status) necessary to be awarded a language resignation.

3. Additional Language Resignation Proffers

The Company may, at its option, proffer additional language resignations, from time to time, at specific bases. These additional proffers will be posted for a minimum of twenty-one (21) days, with resignations effective with the contractual month following the proffer awards. The Company will establish the number of language qualified Flight Attendants who will be permitted to resign a specific language qualification at a specific base according to operational needs. Language resignation proffer awards will be made in seniority order from among those proffering Flight Attendants with seven (7) or more years of occupational seniority and who are not serving a language lock-in.
