

Safety or Security Concern

Follow these steps if you have an urgent general safety or security concern.

On the aircraft?

Post in Connect Me if possible and notify the flight deck as soon as it is safe to do so.

Flight Deck not present? In the airport or at your layover?

Call Inflight Operations Support (IOS)
+1 (682) 315-7070 or (888) 222-4737

Reporting is essential:

File a CERS and/or a Cabin ASAP report when applicable. Consistent reporting aids union investigations and makes our industry safer.

Always inform APFA:

We have forms available for you to inform us of any concern you have. Follow this link for quick access www.apfa.org/forms/

The APFA EAP Department is always available to assist you.
